2014 A4A NDT Forum - Call for Papers

Airlines for America (A4A) is seeking presentations for the 2014 Nondestructive Testing (NDT) Forum

Please consider presenting at the 57th Annual NDT Forum, to be held at:
The Embassy Suites, Burlingame, California

NOTE: Presenters at the 2014 NDT Forum can receive a $100.00 DISCOUNT off registration fees if accepted to speak at this year's NDT Forum. After submitting an abstract you will be notified of acceptance and discount approval.

For more Forum details, please visit the A4A NDT Web site: http://www.airlines.org/ndt2014

Papers are being sought regarding all aspects of NDT. The target audience of the Forum is Airline NDT Personnel, OEM’s, Regulatory Authorities, and Academia who perform testing and use NDT equipment and techniques. The authors of accepted abstracts will be asked to limit their presentation to approximately 15 – 20 minutes, to allow for follow-on discussion and questions.

- Abstract Submission -

Prospective authors are requested to submit an abstract of their proposed presentation. Please try to limit abstracts to one (1) page. Abstracts or any questions can be submitted electronically, by fax or mail, but abstracts should be received no later than Friday, July 11, 2014. Please see next page for content expectations.

Please submit to:

Mark Lopez
Director, Technical Operations
Airlines for America
1301 Pennsylvania Ave, NW, Suite 1100
Washington, DC 20004
O: 202.626.4213
E-mail: mlopez@airlines.org
www.airlines.org

Abstracts will be reviewed by the A4A NDT Network and placed into the program, as appropriate. Authors will be informed of their acceptance by Friday, July 25, 2014.
- Requested Abstract Content -

It is requested that the following information be included with each abstract:

- Title
- Author(s), including First and Last Name(s)
- Author(s) Title(s)
- Author(s) Telephone Number(s)
- Author(s) Fax Number(s)
- Author(s) E-mail Address(es)
- Author(s) Company(ies)
- Company Mailing Address(es)
